Bergmann Inquest. CLIFTON, S. I., Aug. 31.-The inquest into the death of Frederick Bergmann, who, it is alleged, was killed by means of a gun placed over the door in the house of old Tom Burke, at South Beach, going off when the door was opened, will be continued to-night. Old Tom Burke, who is accused of placing the gun over the door in order that it would kill Bergmann, will be represented at the hearing by Lawyer Bruce, who is associated with Lawyer William M. Mullen. Bergmann was a son-in-law of Burke's, and they lived in the same house. It is alleged they quarrelled, and Burke fixed the gun out of spite.

At the last hearing Mrs. Margaret Bergmann, the mother of the dead man, became excited, and denounced Burke as the murderer of her son. Burke was cheerful until Mrs. Bergmann spoke, but after that hung his head.
